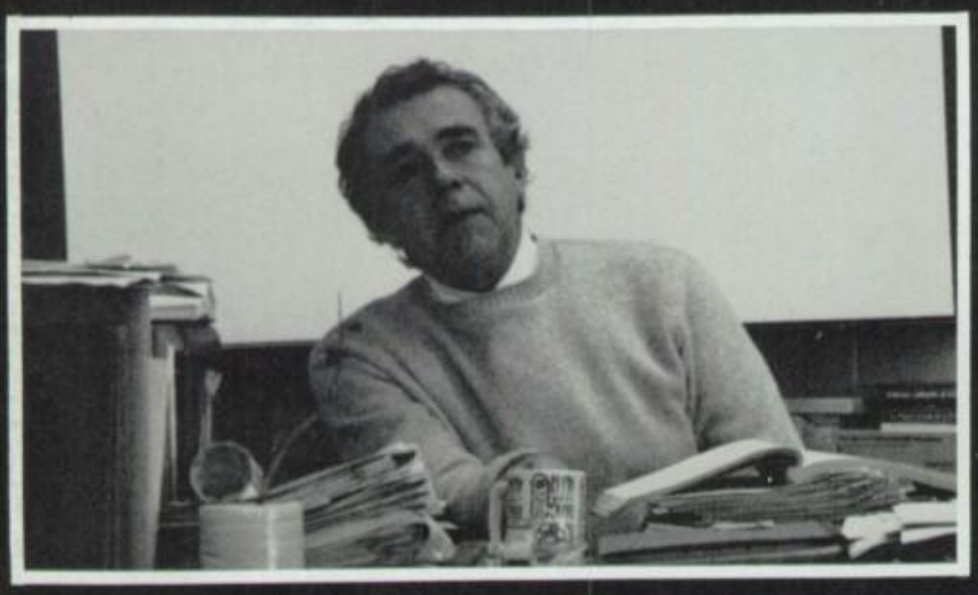
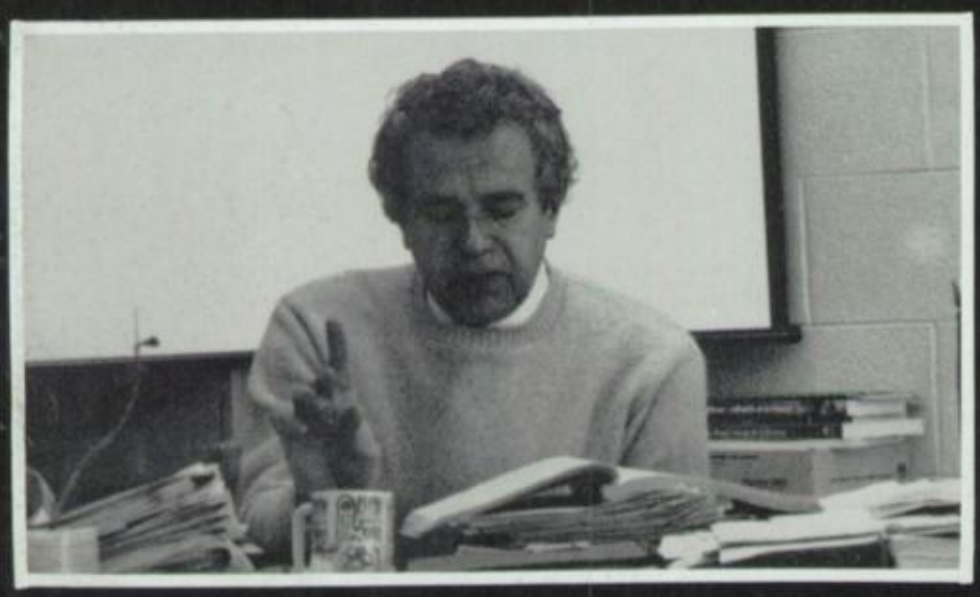
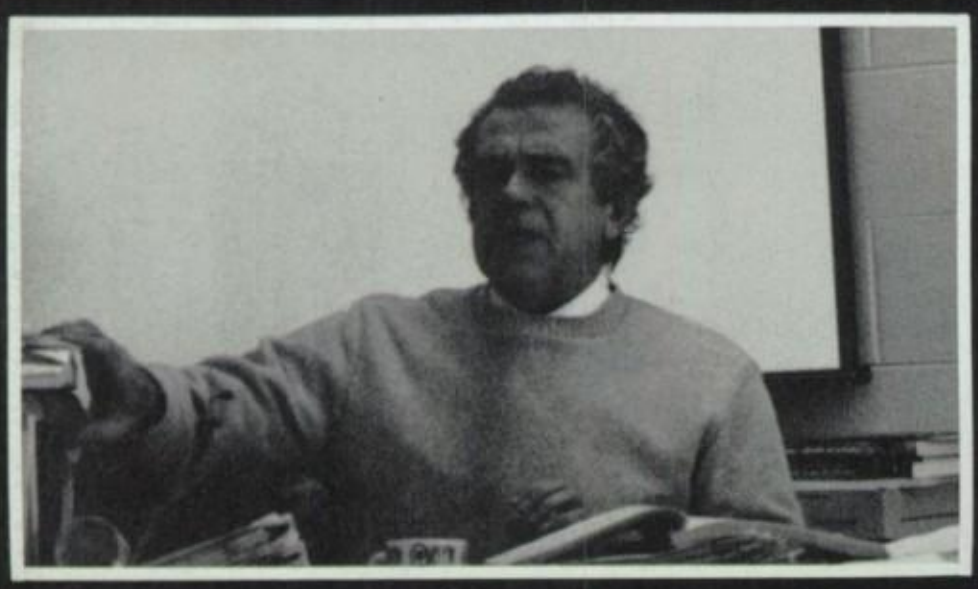
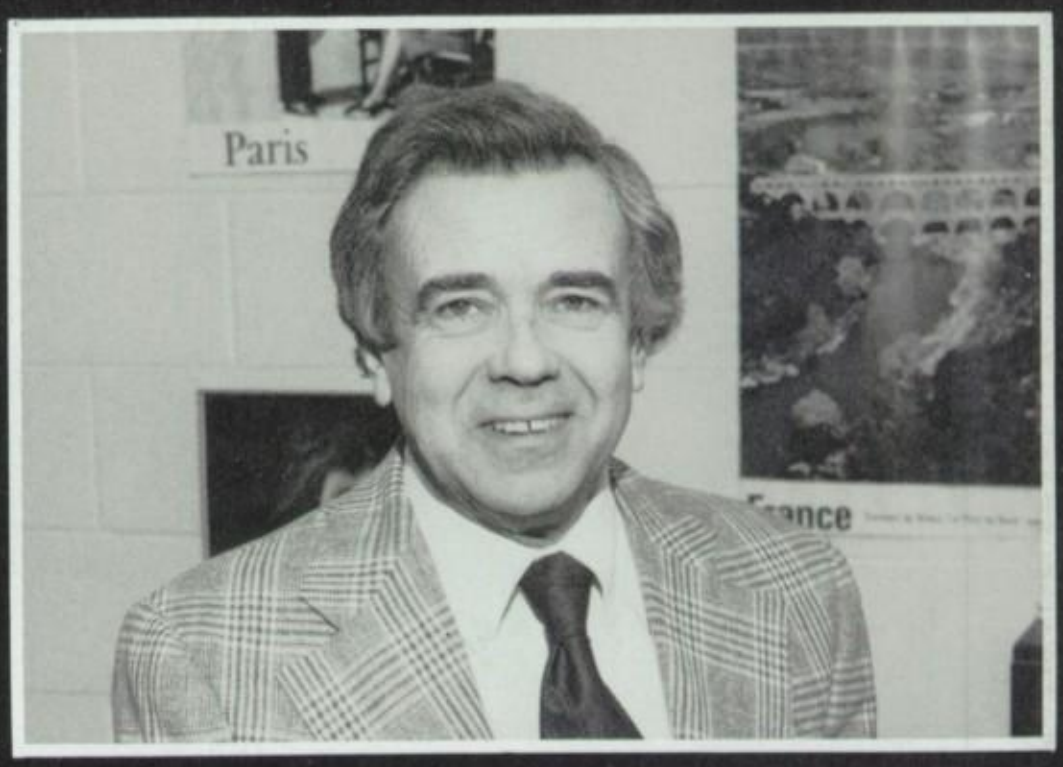
DEDICATION TO FRANK ROBERTS









In his 23 years of service to USM, Mr. Roberts has gained the admiration of his fellow teachers and his students. Not only has he been responsible for making students literate in French, Spanish, and the Fine Arts, but he has also been very active in the USM community as well. In the past, he has been coach of the track team, the AFS/ International Club advisor, and the leader of summer expeditions to Europe. During the early days when soccer was still a club sport, he was USM's first soccer coach. Not as well known about Mr. Roberts is that he is a former ski instructor, knows every card game, has made his fortune by being a stockholder in a slipper company in upstate New York, and is responsible for introducing Mr. Stephens and his wife to each other. He may definitely be considered a "connoisseur of the good life"- a member of the Alumnae Choir, a gourmet cook, and frequently known to appear in school and external stage productions. Whether through special powers or word of mouth, he always knows a little something about everyone. He is well-known for his ready sense of humor, his ability to listen well and to relate his whole life story to anyone in half an hour. It is these combined aspects which make his classes not only informing and challenging but also the humorous and enjoyable periods we all so need. For everything you've done and your dedication to USM-THANK YOU MR. ROBERTS!!!!

FRESHMAN INITIATION

Despite much contraversy, Freshman Initiation was once again an important tradition in University School life. In addition to the Big Brother/ Big Sister system, Freshmen were required to serve, honor, and obey their betters, the Class of 1985. Nevertheless, Initiation proved to be an enjoyable and helpful period for both Freshmen and Seniors. Hopefully this tradition will continue to be as good-natured and strong in the years to come.

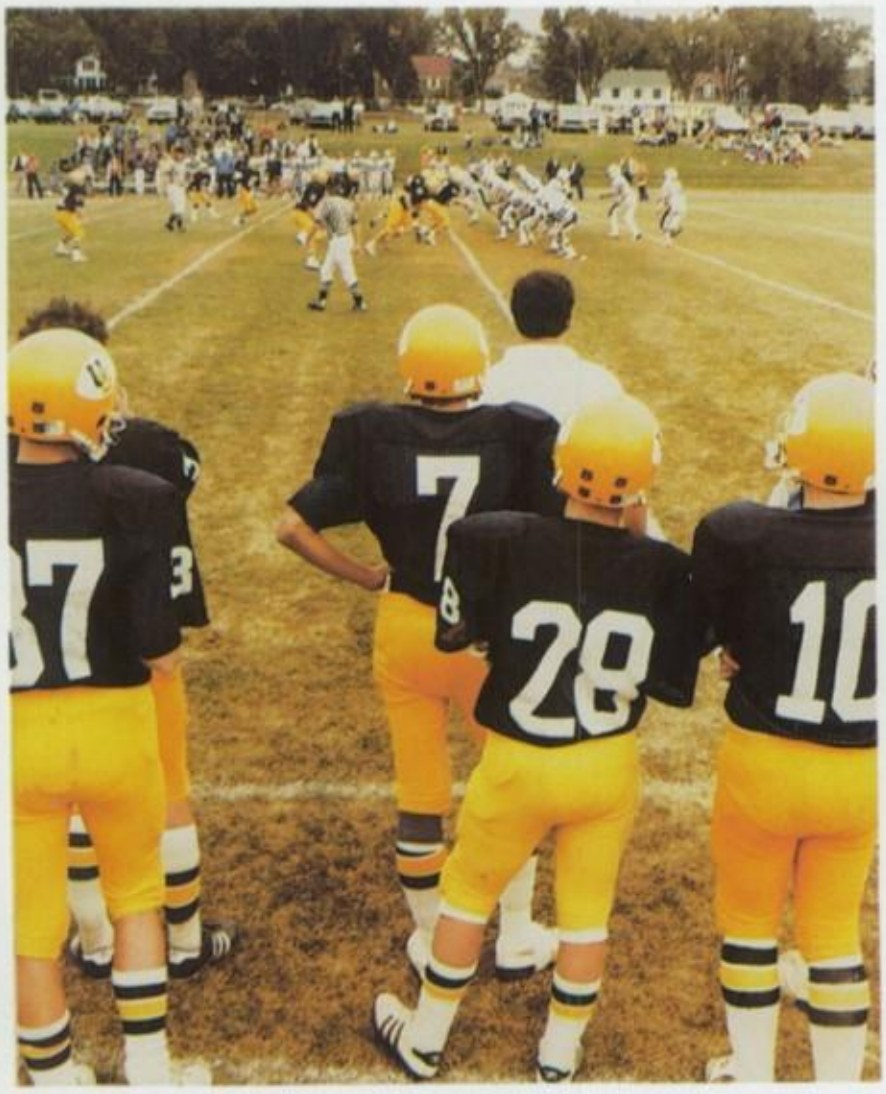
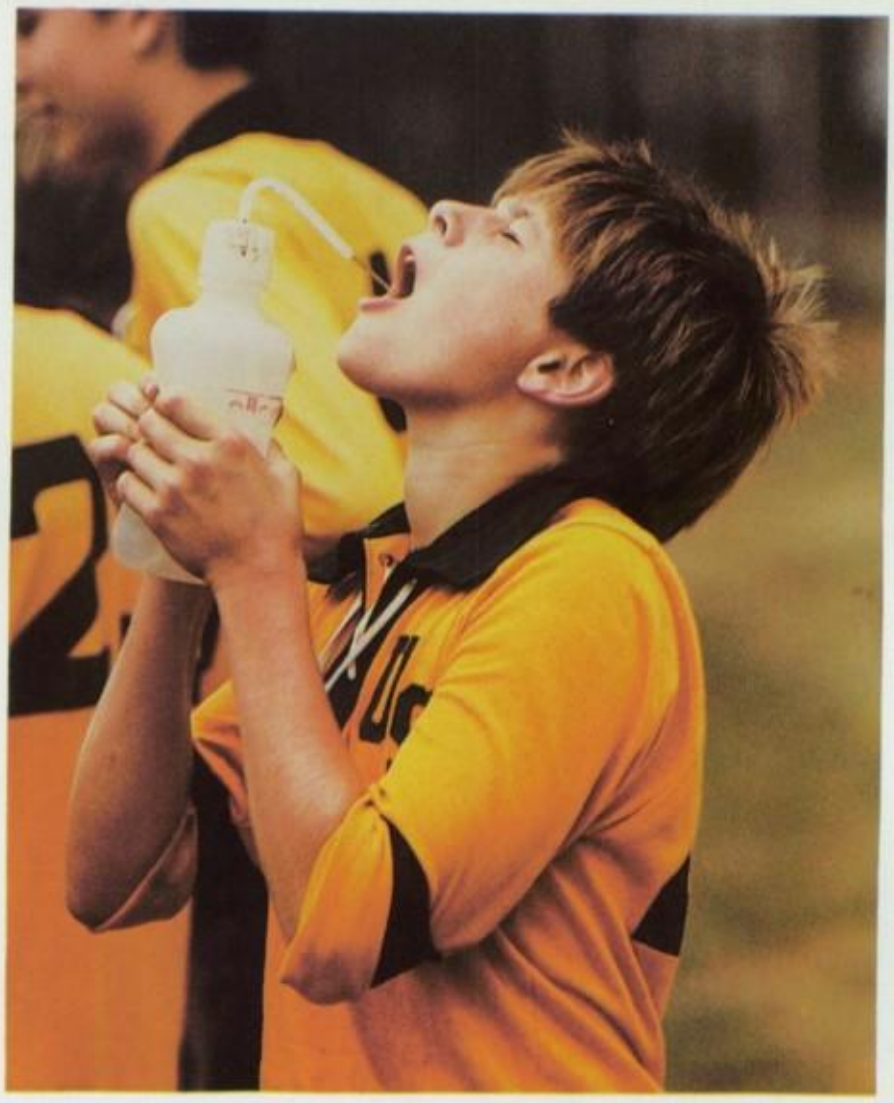
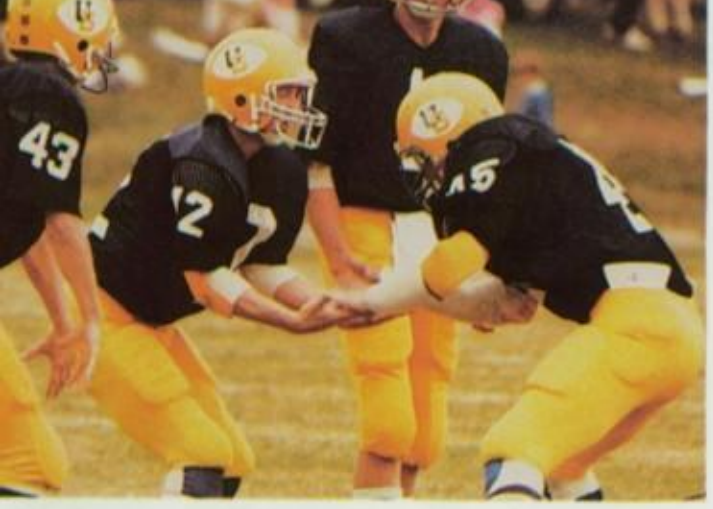
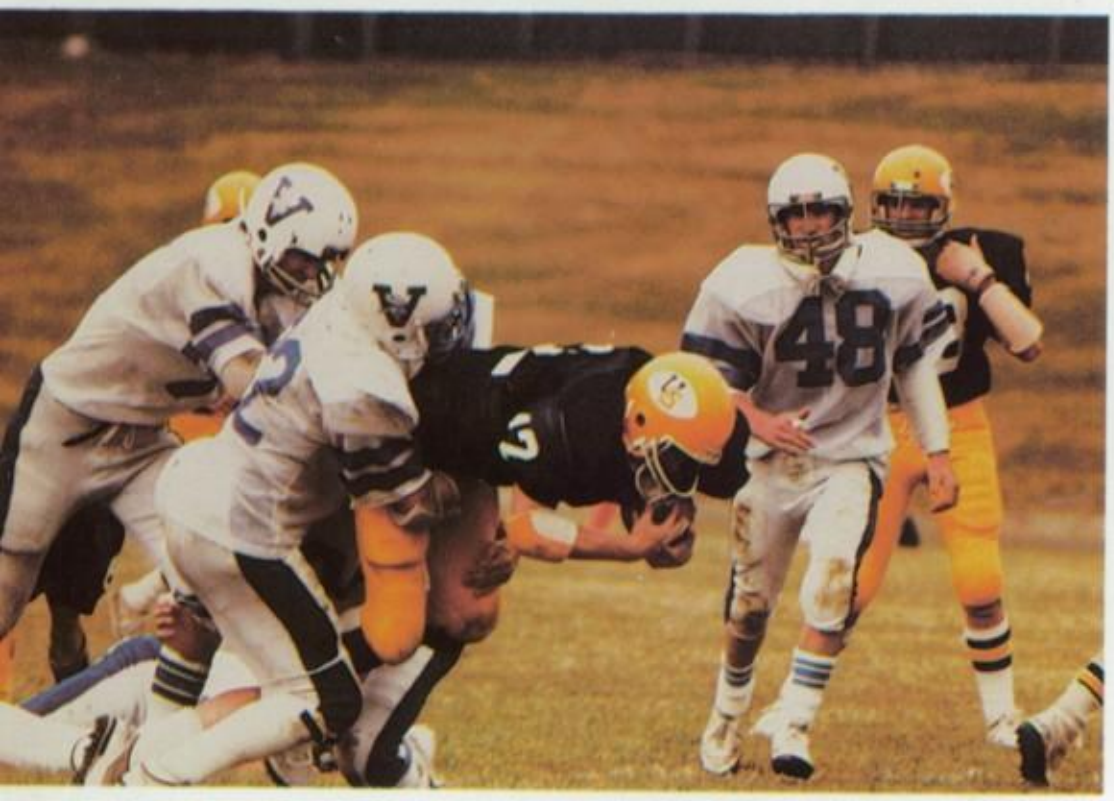
HOMECO



MING 1984







This year's Homecoming turned out to be an exciting and fun-filled weekend for students and parents alike. Although unfortunately not always victorious on the field, all the teams proved to be winners in spirit. The Pep Club helped greatly to encourage the strong school spirit which led to the weekend's success. Once again, the Seniors exhibited their organization through a superior and well-planned float. Hopefully, USM's tradition of enthusiastic and spirited Homecomings will continue, and be enhanced, with consolidation.

CONFERENCE RECORD: W-9 L-1

From training camp to conference championship, the 1984 field hockey team successfully upheld both an excellent record and sense of spirit. The team ended the season with an overall record of eleven wins and three losses, and achieved an even more impressive record in conference play. Through a 3-1 victory over University Lake School, the team assumed the reveared position of first place in the conference U.S.M.'s success was due largely to Co-Captain Sarah Kuesel. The three-year letter winner and backbone of the offense helped lead the team with both her spirit and excellent playing skills. Goalie Karen Hartwig made an equally impressive contribution to the team with a season total of 123 saves. Highlights of the season also included a 2-1 victory, led by top scorer Deb Dalton, over Elgin Academy, and, of course, the honor of winning the conference championship with a record of 9-1.

The varsity soccer team won the Midwest Classic Conference Championship and competed in the state tournament for the fourth year in a row. The record was 11-6-2. The offense and well-balanced attack was paced by Chip Doering, Drew Sawyer and Fred Bergman, while the defense was led by Co-Captain Scott Schnetzky, Slade McGauran, and the fine goal tending of Greg Van Fossen. A key figure in the team's success was the center halfback and Co-Captain, Eric Vogel. Highlights beyond the Conference Championship and the state tournament included a 1-1 tie with the highly regarded Homestead High School and convincing victories over Prarie and St. John's. USM was eliminated from the tournament in a shootout against Green Bay Premontre after an even score at the end of two overtimes (2-2). The season was a rewarding one for the players and the coach, Ed Shuster, who was pleased with the team's improvement as the season progressed.

The 1984 season ended as an outstanding one for the University School Football Team. The season began with a heated match against the extremely tough Beloit Catholic team. The Wildcats, lead by the offensive line, were able to beat Beloit 15-13 in an intense, down-to-the-minute game. The next three games were equally difficult for the Wildcats. Although not victorious in their bouts against Martin Luther, St. Louis, and Northwestern Prep, USM lost none of the intensity or desire characteristic of the team. The next opponent was the much improved Winnebago Lutheran team. However, the Wildcats, with outstanding effort from all, rolled over W. Lutheran 19-14 for a Homecoming victory. This success ended abruptly with losses to Wayland and defending state champs, St. Mary's destroying USM's hopes for playoff consideration. This, however, did not prevent the Wildcats from winning their last three games in an end of the season sweep. Led by the exemplary play and leadership of captains Alby Gallun, Chip Slater and Andy Williams, the Cats defeated St. John's, a three time state playoff qualifier. The Wildcats hope to extend this streak into the 1985 season. With strong leadership from next year's captains, 1985 looks to be a great year for USM Football.

The girl's tennis team has always been one of the most successful teams at USM, and this year was no exception. Beating schools such as Racine Prairie, Whitefish Bay, Homestead, and Mary Institute of St. Louis (6-1), the team won an exceptional total of 11 meets. The only loss suffered was to Brookfield Central- one of the strongest teams in Wisconsin. Perhaps the greatest accomplishment of this season was tieing Nicolet 4-4, after having been defeated in past years. In fact, the 1984 season ended perfectly, the girl's tennis team winning both the regional championships and the state tournament. Being the third year in a row that the team has won both titles (in addition to many years before), USM has won more WISAA state titles than any other school in Wisconsin. Although the team will be losing four excellent players- Julie Qureshi, Anne Whealon, Kara Hughes, and Kathryn Quadracci- girl's tennis, with the help of Coach Laing and Coach Brown, anticipates an equally successful 1985 season.

The 1984 Volleyball team had a very successful season. Although the overall record, as far as wins and losses, may not reflect the success by ordinary standards, great progress in skills and team play were accomplished. The team was lead by captain, Lisa Spearmon, and Stacy Kuchta, two very dedicated seniors who will be missed next year.

Highlights of the season include victories over Wayland Academy, Heritage Christian, and Union Grove Christian.

In Regional play, USM won a comeback victory over Wayland Academy. USM lost the first game 10-15, but rallied to win the last two games, with the help of Molly Foley's consistent serving, 16-14, 15-11.

We anticipate another fine season next year and hope to improve our overall record with the help of a core group of returning juniors including Erin Masson, Irene Mamalakis, Rebecca Saliture, Ioula Theoharis, Carrie Tuttle, Sara West, and next year's captains, Molly Foley and Candy Yashiro.

Due to lack of widespread interest, the swim team this year was run on a club basis, made possible only by the efforts of captains Rory Savas and Susie Wigdale. Though they only participated in two meets this year, one against St. John's Academy and the other against South Division, the Swamprats made an admirable appearance and have shown the school a commitment to a sport that, with their continued effort, will hopefully regain popular support in the coming years. Special thanks to Susie, for her active involvement and extreme effort in reviving a struggling program.

CUM LAUDE

The Cum Laude Society was established in 1906 "to promote learning and sound scholarship in secondary schools" by recognizing outstanding students across the country. The Society's motto is:

ARETÉ	DIKÉ	TIMÉ
(Excellence)	(Justice)	(Honor)

The word *Areté* includes the concept of excellence in the moral sense and is not limited to the ideal of superiority in scholarship, nor does it involve the endeavor of competing primarily for academic grades.

The word *Diké* includes the concept of what is suitable and appropriate as well as just.

An interpretation of the word *Timé* includes the concept of dignity and true worth as well as honor.

The Greek words carry with them far more than literal translation suggests, and surely the founders of the Society had in mind the broader concepts of these words.

NATIONAL MERIT

Every year, high school juniors throughout the country take the PSAT. Their scores are reported to the National Merit Corporation, and those lucky enough to score in the top 0.5% are named as National Merit Semi-finalists. They then become eligible for National Merit Scholarships, a highly regarded distinction. Congratulations to those students who received the National Merit Awards. Your achievement is truly commendable.

THE CHARTER

Front: John Lambie. 2nd Row: Grace Roddis, Ken Goldberg, Colleen Locke, Maria Acevedo, Kathryn Quadracci, Karen Hartwig. 3rd Row: John Annen, Pete Mahnke, Liz Kritzik, Martin Sances, Vicki Griffith, Jim Landgraf, Ted Loos, Tony Schwartz, David Axelrod. 4th Row: Matt Junker, Robert Mueller, Jay Lott.

This year, The *Charter* has again proved itself to be one of USM's better publications. The staff and the editors "cranked out" over 100,000 words, most of which almost made consistently produced articles of acceptable quality, though a slightly snow-covered assistant editor did have to edit a few. Throughout the year, the *Charter* staff made a genuine effort to let the truth be known and, in the process, learned a few things about how the school *really* operates as well. The articles published were of distinguished style, of great interest to the USM community, and a worthwhile contribution to the betterment of the school.

The *Charter* staff wants to thank the *Trident* for doing an especially fine job on the 1985 yearbook. It is one which we will cherish and keep in our hearts forever. We acknowledge your superiority and only hope that one day we can aspire to your level of achievement.

CLOSE - UP

1st Row: Martin Sances, Angela Townsend, Susie Easom, Alice Chang, Stephanie Stephens 2nd Row: Pete Mahnke, Bill Hartwig, Jim Landgraf, David Axelrod, Ted Loos, Mr. Bruemmer 3rd Row: Jim Blahut, Joel Dahlman, Brad Holz, Charles Mellowes

Close-Up is a program open to sophomores, juniors, and seniors who are interested in learning about the American political process firsthand. Students spend a week in Washington in May meeting with Senators, Congressmen, Cabinet members, journalists, and lobbyists as well as touring various government agencies. Mr. Bruemmer was the advisor-chaperone in 1985.

CURRENT EVENTS

Back: Steven Lempke, Ken Goldberg, Annie Walker, Sara West, Liz Kritzik, David Axelrod, Karen Hartwig, Jim Blahut. Next: Peter Mahnke, Eric Vogel, Sarah Lang, Garrett Nodell, Charles Mellows, Mr. Bruemmer, John Annen. Then: Maria Acevedo, Grace Roddis, Vicki Griffith, Angela Townshend. Front: Matt Junker, Connie Gute, Alice Chang, Martin Sances.

This year the Current Events Club sponsored a major political forum on the 1984 election here on campus and several field trips to lectures at the University of Wisconsin-Milwaukee and Marquette University. The club is open to all students who are interested in furthering their understanding of current political issues.

In its third year, La Connection Francaise is thriving. The main purpose of the club is to promote interest in French culture and language. All year long, we have been holding bake sales and donating all proceeds to the Statue of Liberty Restoration fund. In October, we went to the Art Institute of Chicago to see a touring exhibit of French paintings called *A Day In The Country*. For the holiday season, our members brought cheers to a Nursing Home and were much appreciated. We also put up a tree and decorated the halls of the South Building. Second semester activities included a French dinner prepared by the club's members, a breakfast at La Petite France, a visit to French landmarks, speaking French during lunch at the French Table, viewing French movies and attending meetings of L'Alliance Francaise.

DIE NIBELUNGEN

The German Club has this year pursued two goals: to promote knowledge and appreciation of German language and culture at USM and in the community, and to increase awareness at USM of the importance of the German tradition to our own school, which is a descendant of the German-English Academy, founded in 1851. For each of the past three years we have received recognition for Summerfest projects portraying contributions of German immigrants to Wisconsin and the United States. Annually we celebrate the German spring Karneval season with a Fasching party; and we show feature German films by noted German Filmakers. Our acitvities are financed by bake sales and prize money from our Summerfest projects.

Our club aims to help the school community learn about and strive for a common ideal of communication with the peoples of the world. We work to generate interest in other cultures and thereby to help reduce barriers between countries. We pursue these goals by assisting the school AFS chapter with fundraising, publicity, and recruiting of host families; by organizing visits to our school of foreign students, and by serving as liason between the greater AFS organization and the school community.

ACADEMIC DECATHLON

Competing for the first time in the Wisconsin Academic Decathlon, the nine-member USM team, coached by Mr. Bruemmer and Mr. Peck, finished second in the Milwaukee regional and eighth in the state finals in Madison in February. Team members competed in ten events: history, English languarg and literature, mathematics, science, fine arts, economics, essay-writing, public speaking, personal interview, and the superquiz on futurism. Several Upper School faculty conducted "teach-ins" in their fields to prepare the team for competition.

PEER FACILITATORS

The Peer Facilitators began in 1984 from concerns expressed by the students that there was no one for them to talk with about things that were bothering them- that is, their day to day concerns that didn't seem major enough or weren't appropriate to talk to an advisor. The Peer "facilitator" or "advocate" is someone who is trained in listening skills and who can help a peer work through some of these "problems". They are not counselors or advice givers. They *are* sensitive to another person's feelings, and are available to listen and to help the peer clarify his own thoughts about his concern. The program includes listening skills, how to respond, and how to refer if a problem is more than the facilitator can handle. After training is complete, the facilitators become active in the school community. Confidentiality is stressed; group support is given to the facilitators. We hope that in the future there will be a specific class period available for training, facilitators will be assigned to advisor groups, and that these students will be used in areas where their sensitive listening skills can be utilized.

COLLEEN JANE LOCKE

Nature's first green is gold,
Her hardes hue to hold.
Her early leaf's a flower,
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.
Robert Frost

Il faut bien que je suppote deux ou trois chenilles si je veux connaitre les papillons.
Antoine de Saint Exupery, from *Le Petit Prince*

But yield who will to their separation,
My object in life is to unite
My avocation and my vocation
As my two eyes make one in sight.
Only where love and need are one,
And the work is play for mortal stakes,
Is the deed ever really done
For Heaven and the future's sakes.

Cedar Ridge

A Williamsburg styled, self-contained neighborhood of attached single family homes very similar to our CEDAR GABLES development we built in the 1970's. All the conveniences and privacy of single family living but without all the aggravations of upkeep: lawn care, snow shoveling, painting, window cleaning, etc. Complete landscaping, patios, coachlight street lamps, cozy private meandering streets with **no** culverts or ditches. Selective locations on the lake-waterway are available. 3 bedroom (1st floor master suite), 2½ bath. Fireplaces, cedar shakes, air conditioning. Many features. Individual design. 1,400 to 2,500 square feet. $125,000 to $180,000 or more. 2 car garage, full basement. Location: Donges Bay Road, 1 block west of Port Washington Road.

THE EDITOR'S PAGE

With the superiority that has for years characterized the yearbook, the TRIDENT began a hectic but rewarding seven months of work. Despite the fact that the staff consisted of two editors and the yearbook of only a few pages a week before the first deadline, we kept the enthusiasm and initiative which, we think, has produced one of the finest editions ever. Although some questions just exactly what did go on in the newly painted and remodeled TRIDENT room, the editiors and, later, a very helpful staff, through incessant work and effort, achieved not only a book of noteable length but also of excellent quality. (This should be proof enough.)

The TRIDENT staff deviated a little from its belief in the work ethic but only to enjoy some of the finer things in life, of course. Although we did not meet all of our deadlines on schedule, many late nights, sacrificed weekends, and 24 hour sessions were contributed, to the dismay of our Monday morning teachers. This year an occasional photograph was even submitted by the CHARTER staff, establishing a foundation for cooperation that will be necessary when both complex publications share the same tiny room next year. (We wish you the best of luck.) To summarize our feelings. when we look at the grinning gargoyles, the wood carvings above the doorways, the lead-paned windows and slate roof, the old stone fireplaces (doves no less) and all wood classrooms, the worn plaques and globe light fixtures, the stained-glass windows, the rickety lockers and ancient pictures, we realize that we are leaving traditions and memories that can never be replaced. We only hope we have preserved some of these memories and captured some of the spirit of the 1984-85 school year.

Special thanks are due to Cilento Studios for their generous assistance with photography, Ms. Elsner - we all learned a little and even produced a book, Sara West and Candy Yashiro for their valuable hours of layout, Vicki Maholias and Karen Hartwig for their infallible copy work, "the" photography crew for their great pictures (eventually), and especially Gordy for all his help, homor, and tolerance of us during the many late nights. Good luck in the years to come.

Editors- Sarah Lang
Eric Vogel

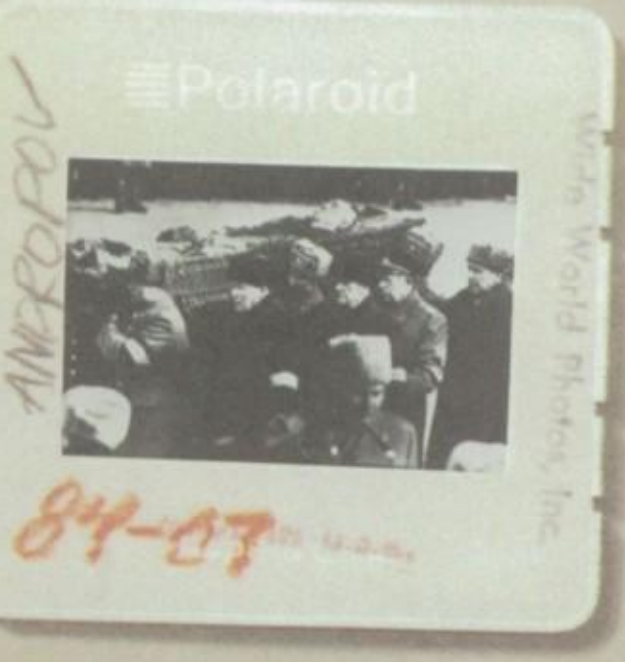
UNIVERSITY SCHOOL MILWAUKEE

MIDDLE AND LOWER SCHOOLS

NORTH CAMPUS



84-07

SOVIET FUNERAL — Soviet leader Yuri Andropov died on Feb. 9 and Konstantin Chernenko succeeded him.

84-08

OLYMPICS, YUGOSLAV STYLE — At the winter Olympics in Sarajevo, the U.S. netted four gold and four silver medals. Scott Hamilton won the men's figure skating and Steve Mahre won the Giant Slalom.

84-09

NOT SO TRIVIAL — Trivial Pursuit was the game of the year. Students at St. Vincent College in Latrobe, PA, even built a giant board for a trivia contest.

84-10

WHO YA GONNA CALL? — "Ghostbusters", a comedy/horror movie starring Dan Aykroyd, Bill Murray and Harold Ramis, was the highest grossing movie of 1984, earning over $200 million by year end.

84-11

ELECTION '84 — Presidential candidates Ronald Reagan and Walter Mondale took part in two televised debates. The debates were close; the election wasn't. Reagan was reelected by a wide margin.

84-12

FAMINE IN ETHIOPIA — Millions suffered in northern Africa from a famine caused by several years of drought. Belatedly aware of the tragedy, leading nations rushed food and money to the scene.

CURRENT EVENTS

84-01
ENGLAND'S PRINCE HARRY — Charles and Diana had a second son, Prince Harry, third in line for succession to the British throne.

84-02
WORLD SERIES FOR THE TIGERS — The Detroit Tigers beat the San Diego Padres four games to one to win the 1984 World Series.

84-03
LIBERTY GETS A FACE LIFT — After 98 years of wear, the Statue of Liberty began receiving badly needed repairs, including new iron supports and a new gold-plated torch.

84-04
SPACE WALK — Mission specialists aboard the Shuttle Challenger used manned maneuvering units to "walk" in space independent of their spacecraft.

84-05
INNOCENT — Former automaker John DeLorean was acquitted after a long and highly publicized trial.

84-06
VICTORY — Michael Jackson and his brothers performed 55 concerts on their massive "Victory Tour" throughout the U.S. There had been initial controversy over high ticket prices.
